In Memory

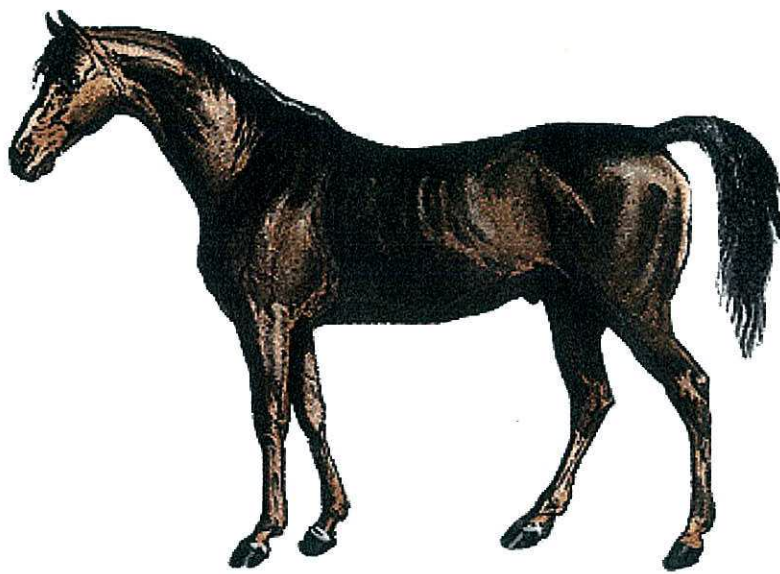

Marjorie Kittredge

April 10, 1924 – June 23, 2010

Special Olympics Massachusetts would like to dedicate the 2010 Equestrian Tournament to the lasting memory of Marge Kittredge. In 1964 Marge founded Windrush Farm Therapeutic Riding Center, the home of Special Olympics Massachusetts State Equestrian Tournament. Mrs. Kittredge is considered an international pioneer in the field of the therapeutic benefit of riding. She helped write the first manual 'Aspects and Answers,' to guide folks who wanted to start their own programs and created a national organization called NARHA (North American Riding for the Handicapped Association) to set standards and guidelines for those in the industry. Marge was a constant presence at every Special Olympics Massachusetts State Equestrian show serving as a judge and volunteer. Her contributions to our program and love for our athletes will be greatly missed.

SATURDAY OCTOBER 16th
WINDRUSH FARM THERAPEUTIC RIDING
