In Memory

Barbara DeNitto

1939 – 2010

Special Olympics Massachusetts would like to dedicate the 2011 Fall sports season to the lasting memory of Barbara DeNitto, our long time Equestrian Director who passed away last winter. Barbara was instrumental in bringing the sport of Equestrian to Special Olympics Massachusetts as she founded the program over twenty years ago and continued to be heavily involved until she passed last winter. Barbara's finger prints are all over the program and her vision will help guide the Special Olympics Massachusetts equestrian program long into the future. Her leadership and guidance and love for our athletes will forever be missed.
