**Tie Breaker**

1. If two teams are tied, the team that won in the head to head match up is the winner
2. In the case of a three or more team tie, the differential between points scored and points scored against will determine the winner.
- A cap of 5 points per game played will be used towards a team's total points to determine a winner to eliminate the incentive to run up the score during competition.**
3. If teams are still tied, the team that has the fewest points scored against will determine the winner.
4. All forfeits count as a loss and the winning team will record a winning score of 2-0. If a team that has a forfeit in their record is tied with another team(s), that team with the forfeit will automatically lose the tiebreaker.

Some teams may also play **back-to-back** games. Please be aware of this in the case that this occurs during the **lunch hours** and be prepared.

**Schedule is subject to change. Check master score board at your venue tent for updates.**
